6/9/2023 Call with UDEQ

Dan Hall, Haley Sousa, Porter Henze, John Mackey

Dan previously mgd GW section, which included individual permits.

John Mackey - director for Div of Water Quality

Porter Henze - UIC Coordinator

Haley - with AG's office representing WQ

Sent letter to Lisbon Valley and got their response a few weeks ago.

Have responses to all issues raised and will fashion response

Technical matter - don't see anything changing re stratigraphy, natural isolation, type of geo, etc

That's important to UDEQ

Will still provide addtl info we requested including capture zone
